The Family Will Be There To Fete Couple Wed 50 Years

All three of their children moved to Sacramento and so, after spending more than a quarter of a century in South Dakota, Mr. and Mrs. Frank F. Hendricks also headed for the coast when the former received an assignment in 1942 as a guard at Mather Air Force Base.

That is why it will be easy to get the whole family together Sunday when Mr. and Mrs. Hendricks celebrate their golden wedding anniversary.

Their actual anniversary date will be the following day, for they were married January 12, 1903, in South Dakota.

Open House

The Hendrickses will receive congratulations at an open house to their friends, scheduled from 2 to 5 PM Sunday in the Young Ladies Institute Clubhouse at 1400 Twenty Seventh Street.

Now 79, Hendricks has retired after more than 30 years in law enforcement work. Under a doctor's orders to take it easy, his only hobby nowadays is gardening in the ward of his home at 5200 North Avenue, Carmichael.

Mrs. Hendricks, 69, carries on as the housewife and does much of the driving of the family car.

Wide Career

Hendricks has had an extensive career in law enforcement work but is not inclined to spin any yarns about his experiences.

He was a deputy sheriff for several terms and later chief deputy to the sheriff in Roberts County, SD. He also was a game warden and later a guard in a state institution in Redfield, SD. He retired in 1945 after serving more than two years as a guard at the Mather base.

The couple's children are Clistus J. Hendricks of 4919 Twenty Third Street, LaRoy Hendricks of 2212 Hollywood Way and Lauretta Hendricks, now in the army nurse corps at Camp Irwin, near Barstow.

Miss Hendricks will drive up from Barstow to attend the celebration. She formerly was on the Sutter Hospital nursing staff.

Funeral for Mrs. Laney.

Funeral services were conducted at the First Baptist church at 5 o'clock Saturday afternoon for Mrs. J. T. Laney by the Rev. H. J. Lacey, The church choir composed of Mr and Mrs. A. L. Evans, Mrs Carl Abbott, Miss Mary Jo Abbott, Mrs. W. F. Holmes, Miss Mary Louise Holmes, and Miss Shirley Hevel sang "Crossing the Bar," "City Four Square,' and "Good Morning Up There". Accompaniments were by Miss Joan Gray. Burial was in the Oswego cemetery under the direction of the Dale Funeral Home. Members of the Queen Esther Sunday School class of which Mrs. Laney had long been a member, attended in a body. Pallbearers were: A. L. Evans, J. R. Dove, Carl Puffinbarger, Davy Fouts, T. F. Hamman, Carl Abbott.

Was Former Oswego Boy.

Mr. and Mrs. John Hendricks of Oklahoma City came last Saturday morning to attend the funeral of the late Mrs. J. T. Laney, held Saturday evening. Mr. Hendricks had known Mrs. Laney and her late husband, J. T. Laney, back when they all lived in the state of Illinois and also knew Mrs. Laney's father and mother and esteemed them most highly.

Mr. Hendricks was a former Oswego boy. He and the late Will Hendricks were twin sons of a former Probate Judge of this county, G. W. Hendricks and Mrs. Hendricks in whose family there were three sets of twins, and of which family he is now the only surviving member.

FRIDAY, MARCH 8, 1940.

Former Resident Dead.

Relatives here have received word of the death of Mrs. Harry Kengle the first of the week at her home in Enid, Okla. Mrs. Kengle was formerly a resident of Oswego but has made her home in Enid for a number of years. She was a sister of the late Mrs. Gillen of this city.

This will be long..................but will tell you a bit about Nancy Selinda J. C. Hendricks.
Mother (probably)
Sarah (unknown) Johnson, born ca 1795, SC
Children of Unknown Johnson, born SC/AL and Sarah Unknown, born SC
- Elizabeth Johnson, born ca 1824 - AL
- Augustus Prout Johnson, born 11 Aug 1829, AL - died 21 Feb 1902, Weir, Cherokee Co. KS - buried Weir Cem. Married Francis D. CRAIN
- William C. Johnson, born ca 1833 - AL, died 30 Jul 1897, Dennis, KS (west of Parsons)
- Nancy Selinda Johnson, born 22 Jan 1835 - AL. Married #1 Alfred D. Crain and #2 George Washington Hendricks
- Jackson Johnson, born ca 1837 - AL

The obituary of Nancy Selinda Johnson Crain Hendricks (Oswego Democrat, 17 Aug 1907) lists surviving family members, including two cousins........Margaret Wilson of Mineral and Mrs. J. H. Crain of Hallowell.
NOW -
Margaret Wilson - I believe she was Margaret A. Black who married James A. Wilson in IL. On Washington Co. IL censuses and then to Cherokee Co. KS where she died in 1916 (no other date.....from tombstone at Borland Cem. Cherokee Co.)
(I have their children from census records 1850-80 / Washington Co. IL)

Mrs. J. H. Crain - she is Nancy Jane Simons, dau of Abram/Abraham Simons and Mary Martin Black and married John Hatch Crain , son of Rev. John Wesley Crain and Mary Barkley. I have Nancy's death certificate that states that her parents were:
Abram Simmons and Mary Martin
Nancy Jane died on 23 Sep 1915 and is buried at Oak Grove Cem. Labette Co. KS.

The records I have concerning Margaret A. Black Wilson and Nancy Jane Simons Crain, cousins of Nancy Selinda Johnson Crain Hendricks lead me to believe that they were the daughters of Mary MARTIN Black Simons. I believe (absolutely unproven) that Mary MARTIN Black Simons and Sarah Unknown Johnson (mother of Nancy Selinda and others listed above) are sisters. On census records, both are listed as born in South Carolina, Sarah ca 1795 and Mary ca 1803. I feel even more sure of the connection, because our Sarah Johnson is living in the household of Lewis Black in 1870 Washington Co. IL. Sarah is age 75, again listed as born SC.
SO...Our Sarah is living with her nephew, Lewis Black, age 32 (b AL). He is the son of the above listed Mary MARTIN Black Simons.
Not that this is accurate proof.....but........if Margaret Wilson and Nancy Crain are cousins of Nancy Selinda Johnson Hendricks, then it seems likely that their mothers are sisters, since I know a bit about Margaret and Nancy and their families. This, then, seems to point to the following:

Sarah Johnson, mother of Nancy Selinda and others was a MARTIN, born SC
Mary MARTIN Black Simons, mother of Margeret Wilson and Nancy Crain, born SC (maiden name Martin, proven by a death certificate)

Hope this is not that confusing.......copy it and next time at your library, do a bit of look-up in the KS material.
Snowbound in Bville (12 inches since last evening).

Dear Mrs. Nunneley,

I'm sorry I didn't answer your letter earlier in the year, but if you haven't completely given up on your genealogical research maybe I have something here to help you. I sure wish you could be here for the reunion Sept. 10th, but maybe you can put that on your calender for 1979. This clipping of the reunion was in the Sparta Newsplaindealer, Sparta, Ill., which came today.

Last March I looked in the Sparta Library for some info for you but didn't find anything. Material in the Genealogy Section isn't indexed so it is search and find. (Then the last of March and first of April I had a bout with pneumonia) Then we spent 4 weeks in Kansas(Anthony) with our daughter and her Husband and little granddaughter, during wheat harvest. Also our son & wife lived at Milton, Kans. When we came home the middle of July I had more than usual work at a Nursing Home where I work part time--supposedly 3 days a week. So then a couple of weeks ago I began looking through some of my material and found your letter. I remember hearing of the death of John Hood, so clipped it from the paper. I noted his mother's maiden name was "Crain". I went to the Sparta Library again and found the finfo copied on the first page it also stated that Frank and Catherine Hall Crain were buried in Swanwick Cem. So then I looked up the Swanwick Cem. tombstone inscriptions which are in the Sparta Library, I also copied a few others if they are of any interest to you.

Had you noticed the Mrs. Catherine Crane McCarry, born 1793 in the Isle of Man, d 1869 and buried in the Richview Cem. in Washington County, Ill. Would this have been the grandmother of the Catherine Crane Hood?

Sincerely,
Frances Coulter

I'll watch next weeks paper for a report of the Reunion and will send it to you.

To: "Mary Nunneley" <nunne002@sbcglobal.net>

Mary,

I have been planning to contact you ever since Ann Swearingen gave me your e-mail address. However, family and other matters have gotten in the way of genealogy lately.

As you know from the message Ann forwarded to you, we do apparently have quite a few interesting family links. First, here is my line of descent:

Wm C. Crain (c. 1775-1816) + Susannah Crain (1782-1855
John Wesley Crain (1806-1884) + Mary Ward Barkley (1813-1887)
Washington Franklin Crain (1835-1875) + Sarah R. Laney (1837-1912)
Daniel Edward Crain (1875-1954) + Lula Pearl Sharp (1880-1958)
Alonzo Edward Crain (1909-1993) + Clara Louise Rogers (1913-1992)
(My parents.)

I spent the first 22 years of my life in Pittsburg, Kansas. My cousins and I knew almost nothing about our background beyond the fact that our grandfather Crain's widowed mother brought her young children from Illinois to Labette County, Kansas by covered wagon. My grandfather was an infant at the time. We also heard that our great grandfather had been a Union Cavalry officer in the Civil War and that he died under mysterious circumstances. This general lack of knowledge about my roots and family history was an incentive that drove me toward genealogy, a hobby I took up in late 1998. I now have a nearly complete picture of a family history going back to 18th century North Carolina and Virginia. While pursuing the task of filling in blank spaces on my own direct family line, I have also delved quite a bit into other related links (e.g., in-laws and their backgrounds) since this allows one to gain a broader

perspective and understanding.

I am not sure if I have information that you have not already collected, but I am definitely willing to share or exchange findings.

Here are some of the things I have pertaining to your ancestors and relatives.

1. I have Washington County, IL census records from 1850-1870 for Sarah Johnson, the mother of Nancy Selinda Johnson and Augustus P. Johnson (my gg's brother-in-law), and some of the other children.

2. I also have looked at 1830 to 1840 Census records for Lauderdale, Alabama (I subscribe to the Ancestry.com data base). I made a print out of all the Johnson head of household names that appear.

3. I have complete census records on the A. P. Johnson family from 1850 until 1900. BY THE WAY, HAVE YOU EVER BEEN ABLE TO LOCATE A MARRIAGE RECORD FOR AUGUSTUS JOHNSON AND FRANCES CRAIN?

4. I have the obituary for A. P. Johnson's wife, Frances Barkley Crain Johnson. (On the next visit to Cherokee County, KS I will look in the historical society's files to see if they possibly have one for Augustus.) Two or three years ago I managed to locate their grave sites in the Hosey Hill Cemetery near Weir. By coincidence, this is a cemetery where many relatives on my mother's side of the family are interred. In addition, I've run down census info on some children of Augustus and Frances such as John Hatch Johnson (named after a brother of Frances and also a brother of her mother). He is also buried in Hosey Hill.

5. I have photocopies of my grandparents' marriage certificate signed by George Washington Hendricks in his capacity as J. P.

6. I have some digital photos that I made from old pictures of Civil War veterans' reunions found at the Oswego Historical Society. I got these because my great grandfather's younger brother, Lewis W. Crain (1846-1923) is one of those persons identified in 2 group pictures. These reunions took place in 1911 and 1915. G. W. Hendricks is also in both of these.

7. In one of the file drawers at the Oswego Historical Society, I have seen a photo of G. W. Hendricks and wife Nancy taken in their later years. Did you by any chance leave these with them?

8. I have also speculated as to the possibility that G. W. Hendricks and my gg may have at one time been law partners. Washington F. Crain first gave his profession as lawyer in the 1870 Census. At the time he was living in Elkton. Sometime in 1872 he was formally admitted to the Illinois bar according to information in a Wash. Co. history book. I also know from documents in his Civil War pension file that the law office was located in Elkhorn which is either a hamlet close to Elkton or an alternate name used for Elkton around that time. Washington hastily left Illinois in late 1872 and headed for Labette County where his relatives had been living for several years. He probably made this move due controversies that were arising regarding his legal practice. While living in Montana, Labette Co. until 1875, he continued to correspond and do some legal business through the law office back in Elkhorn. You may know that his colorful career ended when he was arrested in Missouri by agents acting in behalf of the Gov. of Illinois. He was taken back to Washington County, where he died 3 weeks later while awaiting trial in the Nashville jail.

I see that in the 1880 Census, G. W. Hendricks residing in Elkton, IL gives his profession as lawyer. I believe he listed teacher as occupation in the previous census. Since Elkton and Elkhorn are such small places that may not have had more the one law firm, and considering that they had some loose or indirect kinship ties, I think that there is a good chance they might have been connected to the same office.

When I looked over the book with information on my gg's admission to the Illinois bar a number of years ago, I did not check the index for entries concerning Hendricks. Maybe this would be worthwile for you. Here is the information I have on this source.

History of Washington County Illinois,. With Illustrations Descriptive of its Scenery, and Biographical Sketches of some of its Prominent Men and Pioneers. Philadelphia, Brink, McDonough & Co., 1979. I ordered this through Inter-Library Loan at my university's library. I believe it has an index of names.

9. Recently, I have made contact with some descendents in the Ezekiel Crain branch of the Lewis Crain line. I especially have a lot of new material on descendents of Andrew Jackson Crain one of Ezekiel's youngest children. He left Washington County for the Gold fields of California sometime shortly after

the 1850 Census. May of his descendents are still living in the area. Another contact I have just made is with a Carolyn Currier in Texas. Have you corresponded with her? She is apparently a friend of Ann Swearingen.

10. Lewis T. Crain, one of Alfred D. Crain's brothers came to Labette County. My great-great grandfather Rev. John Crain sold 80 acres of land to Lewis T in 1887. They farmed side by side for a few years.

11. Coach John Lance. While growing up in Pittsburg and attending PSU for my undergraduate degree I watched numberous basketball games at the college from around the mid or late 1940's until 1960. During those years PSU was definitely known for its good basketball teams rather than for football as is the case today. I believe that Lance is among the winningest coaches is the history of the game with over 600 victories. I had no idea then that I had some indirect family ties with him. One of vivid memories I have is watching his reaction when things were not going well on the court. John's face would progressively turn red to the point where one could foresee an explosion about to happen. I was at a PSU alumni reunion in 2005 and one of his former players was there. Some nice things were said about the coach. Also, a cousin still living in Pittsburg told me when he made a delivery to John Lance's place many years ago, he told him how much he enjoyed watching the games. John reacted with a big grin.

Sorry about the delay in communicating.

Sincerely,
David A. Crain

Hi Mary--

This is what I have. Levi probably enlisted in 1861, but the state has no record; however he reenlisted as a veteran in Jan 1864 and muster 23 Jan 1864. When he reenlisted he was 23 years old and unmarried. He could not have reenlisted as a vet unless he had already been in the regiment, but the state has lost those early records. He was sick in the general hospital at Vicksburg, probably with malaria in May 1864. Malaria was very prevalent at Vicksburg and hundreds died or were disabled due to the disease. He recovered enough to participate in a cavalry expedition to Yazoo City, on the Yazoo River, about 50 miles north of Vicksburg. Commanded by Emory Osband, the object was a raid against the Mississippi Central Railroad above Canton, to cut railroad supply lines for Confederate John B. Hood's Army of Tennessee, then stationed at Spring Hill, Tennessee. Hood was reinvading Tennessee at the time, trying to bring Sherman's army back from Alabama. Levi probably had a relapse of malaria for he was being brought back to the Fifth's camp at Vburg on the steamer Shenango with the other sick and wounded at the end of the raid. Stationed along the bank were Confederate sharpshooters who were trying to stop the Union forces from returning to Vburg. At Short Creek along the Yazoo River, sharp shooters opened fire on the boat on 2 Dec, hitting Levi. He made it back to the Fifth's camp, lingered four days from wounds, and died on 6 Dec. Hope this helps. I have no family information.

Rhonda,
Hope the Lewis Crain photo works.........
Now, I need help with a member of the 5th Illinois Cavalry....have you found any information concerning the following:

Levi J. Johnson
5th Illinois Cavalry
Co. H
Private / Bugler
Born / Alabama
Resided / Elkhorn, Washington Co. IL
Died / 6 Dec 1864 / Vicksburg, Mississippi

I believe he is a brother to my great-grandmother, Nancy Selenda Johnson Crain/Crane Hendricks (wife of Judge George Washington Hendricks) of Washington Co. IL and Oswego, Labette Co. KS. If I am correct, his name is Levi Jackson Johnson.
Hope you have come across some info about him.
Thanks much,

Many of the Fifth soldiers moved to Kansas with Lewis, and it would be interesting to see if any of the boys were in the photo. Can you scan the image and send it to me email? That would be the quickest and least expensive, but if not, my address is

Hi Rhonda,
The only picture that includes Lewis Crain is a 1911 original photo (not in good condition) of Civil War veterans posed in front of a store in Oswego, Kansas. Most are identified, including "Lew Crain". My great-grandfather is also in the picture and the picture was given to me by the museum in Oswego many years ago.....because they had two copies. Oh my, hope their other copy is still in their collection.
I could make a copy of the picture for you if you want one, but have no idea if any enlargement of the face of Lewis Crain would be of value.
If you want me to try, send my your mailing address and I will go to the print shop and see if they have any idea about making a copy of his face. He is a great looking old gent...........

A BAD ACCIDENT.

Thomas and James Platts, Jr., Lose Their Lives in a Mine Accident.

Another one of those horrible accidents for which a mining community is always prepared and yet which shocks everyone occured last Friday evening at the Hamilton Coal & Mercantile company's shaft No. 2 when Thomas and James Platts, two shot firers received injuries from which they died within four days.

From reports Thomas and James Platts, Jr. went into the mines as usual to perform their duties as shot firers and were near done with their work when they had what is known among miners as ablow-out shot which burnt both men badly but Thos. the worst. James made his way to the bottom and rang the bell and receiving no answer climbed up the man-way and blew the distress whistle which brought help and Thomas was soon

Brownlow Secrish, an orphan boy of 12 years, died Saturday at No. 6 patch and was buried Sunday. He had fallen on the ice and hurt his head.

Missouri's coal output last year increased 24 per cent going up to a total of 4,000, 000 tons. This is a prosperity item of the most satisfactory kind.

All the coal mines on the prairie laid idle Saturday on account that the engines could not get water and the coal for several days had filled up all the side tracks.

Old Judges Sorry Now.

The old district judges, who refused to surrender their offices to Governor Stanley's appointees until the supreme court had passed upon the validity of the judicial feature of the bi-ennial election law, had all their trouble for nothing. In fact they had to pay dearly for it. They held on about six weeks while the case was pending. It cost them a big sum of money to employ attorneys to attack the law. They are out that money and also their own salaries for the six weeks' service on the bench. The state has refused to pay them for time served over their regular terms.

The new judges got the salaries for which the old judges performed work during the litigation. The supreme court held that the new judges were entitled to take their seats on the day the old judges' terms expired. The new judges were on hand to do so. It was not their fault that they didn't. Therefore the state gave them the time the old judges usurped the power of the new judges.

THE WEATHER.

Brief Synopsis of Weather Probabilities from Hicks.

We admonish our readers of probable violence and danger on and next to the the 9th and 10th of March. Northwestern sections and along the great chain of lakes will be subject to boreal gales and blizzards out of the ordinary, while barometric depressions, intense and wide, will probably result in wild, equatorial storms, and extremely high tides in the region of the gulf. We would not have it understood that such phenomena must result at this time, but we do insist that the causes named seem to indicate such results, and that the barometric readings, and all other signs of coming storms, should be wisely watched and that timely heed should be taken in case of marked indications.

The Earth's disturbed period, added to the Venus perturbations central on the 12th, will doubtless cause a prolonged storm condition, reaching

The French fashion of using rice to thicken stews of meat or fricassees of poultry should be more generally adopted. It is better than the raw, pasty thickening of flour so often used for this purpose. The flour is good, but it is seldom cooked in stews over five minutes, when it should be cooked slowly at least 20 minutes. No one could undercook rice without noticing it.—N. Y. Tribune.

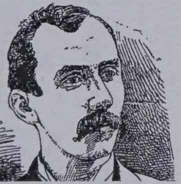
The main walls were of brick, unlike those of other buildings at the fair. They were covered with white staff. The building is lighted through skylights.

Mr. Atwood's ideas in designing the Art Palace were carried out happily by its location, which is fronting on the lagoon, where broad sweeps of steps lead down to the water's edge, and terraces and balustrades beautify the surroundings. The north front faces the wide open lawn. The court in front of the building was during the fair ornamented with groups of statues, replicas and speciments of ancient art.

O. E. PEDERSON.

The Man Whose Attacks on the University of Wisconsin Have Caused Talk.

Oscar E. Pederson, whose broad charges against the management of the University of Wisconsin, at Madison, conducted by Prof. Adams, late of Cornell, have created a furor in the educational circles of the Badger state, was born in the old Indian village of Winñeconne, thirteen miles from Oshkosh, in 1867. He is one of the youngest school superintendents in the west. He controls 115 schools in one of the leading counties—Winnebago—of the state. He is serving his second term as su-



IT TRAPS INSECTS.

LURES THEM WITH HONEY AND THEN KILLS THEM.

A Plant as Rare as It Is Wonderful—After Dispatching Its Victims It Reopens Its Wings and Throws the Skeleton Out.

VENUS'S FLYTRAP is the name of a very curious plant on exhibition at the Flower Show in the Grand Central Palace. It is a pretty, unassuming little plant, but with bloodthirsty tastes all out of keeping with its modest appearance. The Dionaea muscipula feeds on flies, mosquitoes, ants. in fact any insect which comes within its treacherous embrace.

It is not content with unwary insects which may happen to alight on its dangerous leaves, but deliberately entices them by exuding a kind of honey from the edges of the fatal traps. These little traps are two soft, downy leaves, which hinge together on one side. They are fringed with delicate bristles which look like eyelashes on two very wide-open eyelids.

There is absolutely nothing to excite the suspicion of an insect visitor, even the wily mosquito. Lured by the honey on the edge of the trap the luckless insect alights on the bristles and prepares for a meal. It never gets any further, for at the touch of the insect's feet the bristles fly back like lightning, and the two leaves come together, inclosing the fly between their walls.

The bristles interlock like the fingers of clasped hands, thus rendering escape impossible. Under the stimulus of the prisoner's struggles the numerous

swer for nerves in the stalk of the trap the leaves became paralyzed and would not shut. These facts appear to show that the Venus flytrap comes nearer to animal life than any form of vegetation known.

Many scientists have studied the plant and say that it undoubtedly thrives on juices of the slaughtered insects. Mr. Manda, who is an authority on the plant, says that the idea of the plant living thus is all nonsense, and claims that the insects are responsible for the killing of the plant. The so-called gastric juice is, he says, nature's effort in behalf of the plant to get rid of the intruder. He is unable to explain, however, why the flytrap spreads attractions to beguile the insects to their doom.

Audubon says that he saw specimens in Florida of the Dionaea of enormous size and big enough to digest birds. Nobody else has seen them. The general impression is that he was mistaken.

WILL NOT SUIT AMERICA.

Failure of Another Attempt to Introduce Landlordism.

From the Denver Field and Farm: Several years ago an Englishman named Lord Grant was impressed with the possibilities of the English tenantry system, and sought to apply it to western Nebraska and Kansas. His chief purchase was a tract of several thousand acres in Russell county in the latter state. He designed it for a magnificent estate, and spent tens of thousands of dollars on buildings and improvements. His tenants were duly located, and matters were running along about as he expected when crop failure came. A party of titled Englishmen came out and spent some time on the place.

They visited at the master's house, where there was a magnificent library, each book bound in heavy morocco, and all of the most classic authorities. They

LITTLE GIRL PREACHER.

This 10-Year-Old Child Delivers Three Sermons in One Day.

The little girl preacher, Claretta Norah Avery, of whom there has been so much talk in the up-country, is now in Charleston and has during the last week been preaching at the Morris Street Baptist church before large audiences, says the Charleston (S. C.) News and Courier. Yesterday the little girl preached morning, afternoon and evening and the crowds were larger than before.

At the afternoon service the church was crowded and seats were placed in the aisles near the platform, and a large number of white ladies were present. The platform was occupied by the pastor, the Rev. J. L. Dart; the elders, Mrs. Avery and Claretta Avery, the girl preacher. The child, for she is but 10 years old and looks younger, sat in a large chair to the right and scanned with interest the audience. She has large, pretty eyes, good features and a dark olive complexion. Sitting in the chair her heelless shoes were two inches from the floor. She was tastefully dressed in black and wore a soft felt hat. Mr. Dart, in introducing the little preacher, said that she had been suffering with a bad cold for several days but was, nevertheless, anxious to essay this, her second service that day.

Claretta Avery came to the improvised reading desk (the regular one having been temporarily displaced on account of its height), read a portion of the second chapter of Matthew and made a prayer, simple yet complete—a prayer for strength and keener sight, "Oh, Lord," said this childish petitioner, in closing, "even what we fail to ask for do not fail to give us." Her voice was low and tremulous at first but when, after a hymn by the congregation she read out the subject of her discourse it was strangely resonant and clear. Her gestures were good and her manner

MONROE DOCTRINE.

ITS POLITICAL AND COMMERCIAL SIGNIFICANCE.

The Building of the Nicaragua Canal Will Give to Trans-Mississippi Gulf Ports the Business of Exporting the Products of the West.

Globe-Democrat, St. Louis, Mo.

The reception of the President's message demonstrated that the American people are a unit on the Monroe doctrine. Between nations no doctrine, no principle, no action can be upheld except by force. Twenty centuries of civilization have failed to establish the golden rule as the basic principle of the acts of nations. Thirty days ago English writers characterized it as the "nebulous Monroe Doctrine." To-day that principle has an entity, an individuality in the unwritten laws between governments.

A writer in the December number of the North American Review says: "We all know that the development and expansion of nationalities follow the lines of least resistence and are governed by inflexible natural laws. Equally well known are the principles which govern the redistribution of trade centers resulting from the opening up of new channnels of commerce." The same writer says when the Nicaragua Canal is opened Europe will be brought to the very doors of America.

The Monroe Doctrine assures the Nicaragua Canal. The Nicaragua Canal will build up Trans-Mississippi Gulf ports. The total value of the exports of the United States of the United States is $793,392,955. The Trans-Mississippi furnishes of that amount $448,643,727. This business will be done by,

TO THE MINERS.

State Mine Inspector Brown Issues a Warning.

To the Miners of Kansas:

On the 21st inst. an explosion occurred in one of the mines of Linn County, Kansas, by which three men were severely burned. The force of the explosion was not strong enough to destroy any property or materially injure the mine. The explosion was caused by a shot which was placed on the solid; the powder, when exploded did not dislodge the coal, nor was the tamping in the drillhole blown out; the only change discoverable in the aperance of the block of coal intended to be dislodged before the shot was fired and afterwards, was a small crack in the middle of the vein about the length of and directly parallel to the powder cartridge; this often occurs when the coal vein is soft and seamy, and the same peculiar

That accidents of this kind will occur in the mines at one time and not at another when the initiative and conditions are the same, so far as human information and knowledge is concerned has been demonstrated time and again beyond all doubt: but why it is so the human mind has notyet been able to discover.

Grant County Indiana

BRANSON

The old Branson Cemetery was located on the west bank of the Mississinewa River near the home where this pioneer family lived. By the time the county was organized there were four Branson men living in it - David and his two sons, Thomas Nathan, and Jacob who settled on what was later known as the Joel Overman farm. Nathan built a cabin in the fall of 1827 on the present site of the Spencer House. home was up the river and just beyond the McFeely Bridge. His daughter, Charity, i to have been the first person in the county to die. This was in the fall of 1826. was buried we do not know but it may be a safe guess to say it was in what has been called for so many years the Branson Graveyard.

"The Branson Family burial ground was along the river bank near their home because the spot was unmarked and had become a commons, Nathan Coggshall, Lewis Foster and David Overman asked the County Commissioners to protect the spot from th encroachments of the public by erecting a marker and enclosing the same with an irc fence. The sum of $200. was expended in that way. The river channel has changed a some believe the Branson graves are washed away but the marker is near the site."

Whitson's History

The above was written by the DAR in the 1940's.

I visited the site in June 1994. This cemetery is located in the incorpora limits of Marion, Indiana. The graves of the Branson family are located in Center N R. 8 E. in Section 8 along the banks of the Mississinewa River. The street that parallel with the river in this area is Lincoln Blvd., in about the 900 block. No exactly where the graves are located in this area, except one which is only inches street. This is a concrete covered grave of John A. Collins 1887 - 1930. He is a descendent of David Branson.

Years ago there was a wrought iron fence surrounding this little plot. But long gone now. On one side is an abandoned fire station, the city is now using fc barn, and the other side is a private residence. Someone has recently put up a sma wooden fence to keep city workers from parking on the site.

Washington F Branson born Born 1833 in Grant County IN. He was the son of Thomas and Ruth Branson. He is listed with them on the 1860
Census living in Beckonridge (Lyon)Co. KS
In 1873 he was living in Oswego KS. He married Mary Anne Johnson 19 Oct 1873 in Oswego. In 1879 a son Elmer was born to this
couple. Tragically in 1880 Mary died of
Scarletina. Washington live Elmer with his
brother David and his wife Naomi to raise.
I cannot find out what happened to him after that. One other clue, Washington was deaf and mute. Except for a short time in the army Elmer stayed with Naomi until her death in 1900. What happened to Washington??

I have noticed your help given to others on GenForum concerning the Marks family of Weir, KS. I need help on a Marks line in that area:

Daniel W. Marks married Ella (Ellen) S. Johnson on 20 Nov 1877 in Oswego, Labette Co. KS

Ella was the daughter of Augustus Prout Johnson and Francis Crain and was born in Washington Co. IL in Feb 1857. She died in 1912 and is supposed to be buried at Hosey Hill Cemetery at Weir, KS along with her husband, Daniel W. Marks (1852-1912?).
I have been told that Daniel W. owned a meat market at Weir, KS and he and Ella had the following children:
LLoyd / Roy and Ray (twins) / Daniel W., Jr. (1894-1971)
I think there may have been additional children, names unknown.

Augustus Prout Johnson (father of Ella Johnson Marks) and my great-grandmother, Nancy Selinda Johnson Hendricks were brother and sister, both born in Alabama to Illinois to Labette Co. KS.
Hope you will answer some of my ???? concerning Daniel and Ella Marks.
Thanks much,
Mary R. M. Nunneley

What part of KS are you talking about and do you know where they originally were? My KS Marks left York PA and settled first in Oswego KS then to Weir KS. Their names were: Issac A, Louisianna, Winfield Scott, Caroline Jane, Virginia Louisiana, Daniel Webster and Franklin Charles.

Mary,

Daniel W. Marks was my husband's grandfather's brother. Yes, D. W. and Ellen are buried at Hosey Hill Cemetery in Weir KS along with Roy and Ray. There were also children, Maggie M. and Daniel Webster (went by Webb).

I have some pictures and newspaper articles and family group sheets. If you will send me your mailing address, I would be happy to copy them and mail them to you.

CALL MAN 58 'PERFECT' G. I.

FT. BENNING, Ga., Nov. 29.—(P)—Meet the "perfect" soldier—58-year-old T 5 George Keisling of the infantry school here.

He's been in the service nearly 30 years and he has:

Never been late for any formation.

Never missed a formation, meeting or mess.

Never been on sick call.

Never taken a furlough, three-day pass or an hour's pass.

Never been off an army reservation except in line of duty.

Personal habits?

Well, T 5 Keisling, a bachelor, doesn't smoke, drink, chew or swear.

He enlisted in the marine corps when he was 29. In the first World war he served with the marines on Guam. At the end of his hitch he was returned to San Francisco and discharged.

One day as a civilian was too much for him. The next morning he enlisted in the army.

Service in the army has taken the old G. I. to China, the Philippines, Alaska and to Attu, where he fought the Japs.

His retirement is only two weeks away now, but he doesn't want to leave the army.

Construction of 1½ million new rubber-tired tractors in the first five postwar years, and a 100 per cent increase in their number within a decade, has been forecast.

Trapp Objects

OKLAHOMA CITY, Nov. 29—(AP)—Former Gov. M. E. Trapp, sued in district court by his former business partner for an accounting of money received and expended on three large war construction projects in Oklahoma and Texas, Wednesday objected to introduction of testimony concerning the ventures.

Trapp insisted that Judge Lewis R. Morris must first determine whether Dan Tankersley, head of the Tankersley Construction company and plaintiff in the action, was entitled to an accounting.

Tankersley alleged that Trapp failed to account for certain funds accruing to the joint venture and wrongfully charged certain expenses to it. A $400,000 joint fund has been tied up, pending settlement of the dispute.

Senator Wheeler (D-Mont), looked upon as the unofficial leader of a bi-partisan group opposing compulsory military service, said the Maloney compromise would be acceptable to him and others of like views if the senate would not agree to try the voluntary one-year enlistment system without any conscription strings.

Reports were current that opponents of conscription would offer the one-year voluntary enlistment plan as an amendment when legislation giving the president authority to order the national guard into active service comes up in the senate Monday.

Buford, who was driving, and his wife were uninjured. Kephart, his wife, Inez, and young baby were shaken up but did not receive serious injuries.

Buford said the accident occurred while he was driving east on Third street. He said he was forced out of his traffic lane when a car headed north on Rogers made a turn at the intersection. He said in order to avoid a collision he crossed to the other side of the street and was struck by the Kephart car, which was traveling west. Kephart said he did not see the Buford car in time to avoid the collision.

The right side of the Buford car was smashed and the front of the Kephart car was damaged.

The name of the driver of the third car, who Buford blamed for the wreck, was not learned. The driver of the car did not stop after the accident. Police and the highway patrol investigated the accident.

youngest federal judge three months after his 33rd birthday.

He was born at Ardmore, Oct. 27, 1903 and his parents moved to Alabama a short time later. When he was 12 Murrah ran away from home and rode freight trains across the country for many months.

At 15, he was kicked off a freight in Oklahoma City, and to use his own words "I was never so cold and hungry in all my life."

While attending high school he worked as a handyman on the "Half Moon" ranch near Verden, Okla. He worked his way through the University of Oklahoma law school as a tobacco saleman.

It was at law school that he formed a friendship with Senator Josh Lee, then a university public speaking professor. He was on of Lee's most enthusiastic backers when Lee ran for Congress in 1934, and again when Lee ran for the United States senate two years later.

Murrah was married in 1930 to Miss Agnes Milam, whom he met at the university. They have three children, Ann 9, Paul 6, and Sue 3.

After graduation in 1927, Murrah practiced at Oklahoma City for a short time and then moved to the mushroom oil town of Seminole and defended oil field roughnecks in justice of the peace courts.

Wisely, Murrah invested his fees in oil properties near Seminole, became fairly well to do and moved to Oklahoma City in 1930 to set up law practice.

NO-HIT, NO-RUN PITCHING OUSTS TIGERS

Whitehead Blanks Detroiters In Short Game

ST. LOUIS, Aug. 5—(AP)—Back at their pastime of knocking off the Browns used a no-hit no-run league leaders, the St. Louis pitching performance by Johnny Whitehead to dump the Detroit Tigers today, 4 to 0, in a 5½ inning nightcap of a doubleheader.

Although they won the opener, 9 to 2, the loss in the second game, which was cut short by rain, forced the Tigers to yield first place to the Cleveland Indians. It was the third time this season that the Browns had knocked a team out of the lead.

Only two men reached first base against Whitehead in Detroit's six turns at bat, Frank Metha getting a base on balls in the third inning and Hank Greenberg being safe on an error in the fourth. Neither advanced to second base.

The big Texas right hander, whom the Browns obtained from the Chicago White Sox last year, was uneffective at the start of this season and was sent to the minors. He came up again two weeks ago.

Schoolboy Rowe, another Texan, limited the Browns to six scattered hits in the opener which the Tigers won without much effort. It was Rowe's tenth victory against two defeats.

DODGERS BEAT GIANTS

BROOKLYN, Aug. 5—(AP)—To the audible enjoyment of 31,790 happy Flatbushers, the Brooklyn Dodgers humbled their hated rivals, the New York Giants, 6 to 0, tonight behind the six-hit hurling of Whitlow Wyatt.

With Dixie Walker contributing four hits and scoring three runs, the Dodgers landed on Harry Gumbert for a run in the first frame, piled four across at the expense of Gumbert and Paul (Daffy) Dean in the sixth, and finished up with one in the seventh.

Meantime Wyatt, posting his fourth shut-out and 11th win of the campaign, mowed down William Terry's Terriers with little trouble. He had only a few moments of anxiety, such as the second inning when Hank Danning led off with a single, and the fourth frame when Burgess Whitehead singled and Danning doubled.

For the second straight game, Ducky Medwick, the Dodgers' $200,000 outfield beauty, was on the sidelines—benched for weak hitting—but his absence wasn't noticeable from the Dodger attack.

Around The Fairways

Hooking the Fish

Fishing in local waters was excellent, from the looks of the strings brought in the past week. Edgar Haines had a large string of perch taken from Panther creek. Bill Hines brought in two bass, 12 perch and three catfish. Herb Sheller and Fred Winchester exhibited a big string of perch and three large bass. Tim Dutcher caught three bass Friday using a grey squirrel on a shimmy wiggler. Thurman Taylor caught a 2 1-4 pound bass Tuesday on plunker bait.

Mr. and Mrs. Earnest Shults report excellent fishing on Lake Meade, at Boulder Dam, Colorado. On windy days, they said, no one can go on the lake in anything smaller than a 60-foot boat, and it cost $1 a foot. Not many are fishing on the lake. November, December and January are recommended as the ideal months at the dam, as it is still rather warm. No really cold weather is to be had there.

Mrs. Jim Huff won six Dinger flies for her 10-inch perch in the Jess Curtis fishing contest for July. Dewey Brouse's 2-pound 3-ounce crappie won six Dinger flies in the crappie contest.

J. W. Holder's 6 3-1 pound bass still has a big lead in the bass contest. S. T. Wolf is second with a five pound, two ouncer. Clarence Hoffman is third with four pounds, four ounces and H. C. Hill's four pounder is fourth. The bass contest closes November 15.

Bonus For Silence

CLEVELAND, Aug. 5—(AP)—If Roy Weatherly quits sassin' the umpires he'll receive a $500 bonus at the end of the season, the Cleveland News reports today.

The Indians' center fielder was promised the sum with the flat stipulation he doesn't get tossed out of any more games, the newspaper says. Sent to the showers twice this season, Weatherly has been threatened with indefinite suspension by the league if banished from another game.

U. S. Dismisses Wire Tap Charge In Tulsa Strike

TULSA, Okla., Aug. 5—(AP) The federal government, declaring it could not prosecute the case "in good conscience," brought about dismissal today of a wire-tapping indictment against the Tulsa county attorney, two national guard officers and three other Tulsans.

The indictment accused the six with conspiring to tap telephones of officers of the Oil Workers International union during a strike at the Mid-Continent Petroleum Corp., West Tulsa refinery in 1939. The strike has since been settled.

The request for the dismissal came in a letter from O. John Rogge, assistant U. S. attorney general, and was presented by District Attorney Whit Y. Mauzy to Federal District Judge A. P. Murrah, who granted it.

At the time of the indictment, the letter said, the government was contending that interception of intra-state telephone messages was not a violation of the communications act but "the supreme court took the opposite view x x x"

"We have come to the conclusion," Rogge's letter continued, "that the government cannot in good conscience prosecute, as criminal, acts which it did not believe prior to the supreme court decisions to be encompassed within the provisions of the federal communications act."

The six against whom charges were dismissed were County Attorney Dixie Gilmer, Col. Charles A. Holden and Lieut. Col. Charles R. Taylor of the Oklahoma National Guard, D. C. Morgan, Mid-Continent refinery superintendent, A. C. Booth, a hotel engineer, and Police Detective William Kelly.

Floyd L. Rheam, former Tulsa police commissioner, also named in the indictment, won dismissal of his case several weeks ago.

Giants Whip Owls

FORT SMITH, Ark., Aug. 5—(AP)—The Fort Smith Giants defeated Topeka 3 to 2 tonight to make it three straight for their first clean sweep of a series with the Owls in two years.

Nick Ma[illegible] had only one bad inning in winning the decision from Joe Maiman, ace of the Topeka staff. Ma[illegible] yielded ten hits to Maiman's nine, but the Fort Smith hurler was far more effective in the pinches and enjoyed steady support.

Murrah Climbs Up The Ladder Another Notch

WASHINGTON, Aug. 5—(AP)—Alfred P. Murrah of Oklahoma City was nominated for the U. S. Circuit Court of Appeals for the tenth district today—a fresh honor in a Horatio Alger career which already had won him the distinction of being the country's youngest federal judge.

His name was presented to the senate by President Roosevelt for confirmation. He would succeed Judge Robert E. Lewis of Denver, who retired recently.

The 37-year-old jurist, informed of the appointment during a recess of federal district court at Tulsa, said he was "very appreciative of the honor."

While the appellate court sits in Denver, Murrah said he planned to continue his residence in Oklahoma, visiting Denver when necessary.

The new post carries a salary of $12,500. As district judge he receives $10,000 annually.

Murrah became the nation's youngest federal judge three months after his 33rd birthday.

He was born at [illegible], Oct. 27, 1904, and his parents moved to Alabama a short time later. When he was 12 Murrah ran away from home and rode freight trains across the country for many months.

At 15, he was kicked off a freight in Oklahoma City and "to use his own words I was never so cold and hungry in all my life."

[illegible] attending high school he worked as a handyman on the Half Moon ranch near Verden, Okla. He worked his way through the University of Oklahoma law school as a tobacco salesman.

It was at law school that he formed a friendship with Senator Josh Lee, then a university public speaking professor. He was one of Lee's most enthusiastic backers when Lee ran for Congress in 1934, and again when Lee ran for the United States senate two years later.

Murrah was married in 1926 to Miss Agnes Milam, whom he met at the university. They have three children, Ann 9, Pat 6, and Sue 3.

After graduation in 1927, Murrah practiced at Oklahoma City for a short time and then moved to the mushroom oil town of Seminole and defended oil field roughnecks in justice of the peace courts.

Wisely Murrah invested his fees [illegible] Seminole, became fairly well to do and moved to Oklahoma City in 1930 to set up law practice.

None of these are new ideas, he admitted. "I've been singing this same song for ages and ages and ages," the 14-year lawmaker told the group.

And none have ever seemed to be in a hurry to happen. At one point, he joked that consolidation of the state's 77 counties would probably come "about 50 years after consolidation of the schools."

But, he said, his stubborness may finally be starting to pay off. "At least this time they're really starting to talk about reform," he told the group.

"If I were to just join the crowd (and support the tax increase), there wouldn't have have been any more talk about it. I think it's well worth my vote and my agitation — and the agitation I receive — to get this dialogue going."

All the same, he is predicting passage of the upcoming proposal to raise the gasoline tax; he says the governor and two house leaders are rarely defeated when they work together.

Bradley explained there is a 24-month limit on federal interstate funds and 36-month limit on other funds before expiration.

"There is certainly a danger," he said, "that we could experience a lapse (loss) of some of our federal dollars."

He added that state-funded construction also would slow down.

"Under the non-increase option," he said, "current program commitments will not be met, project schedules will be continually 'slid' or projects deferred out of the active program, and certainly no new projects can be added to the construction program."

HARRY LEE MILLSTEAD—The dream of countless truck drivers as they sit behind the wheels of their great land ships sailing over the nation's paved seas is some day to command fleets of trucks of their own and move large cargoes from place to place. This is the dream achieved by one truck driver, Harry Lee Millstead of Bartlesville. With the aid of his wife, who is his partner, Mr. Millstead operates the Millstead Transfer and Storage, a firm which once had one employee and today has twenty-eight. That he has helped build the state and the nation is recognized by his fellow Oklahomans.

Mr. Millstead was born in Cherokee on August 8, 1899, the fourth of the five children of R. E. and Etta (Johnson) Millstead. The family moved to Bartlesville in 1910 and the father became an employee at the National Zinc Company plant there. Harry Millstead received his education in Bartlesville's public schools and his first work was that of truck driver. On May 26, 1938, he and his wife, Stella Louise Millstead, formed a partnership and purchased the Whitaker Transfer Company, which they renamed the Millstead Transfer and Storage. The Millsteads hold permits from the Interstate Commerce Commission which give them a twenty-seven-state operating territory. Also, they have rights, under licenses granted by the Government of Canada, to enter that country. They own and operate sixteen tractors and semi-van-trailers and four pickups. The business consists largely of transferring household goods and office furniture. The main office and warehouse is located at 122 Park Avenue, Bartlesville. There are also an office in Tulsa and a warehouse in Dewey. Mr. Millstead served overseas with the 42nd Division in World War I.

Mrs. Millstead is the former Stella Louise Barbee, a native of Bartlesville. She and her husband have one daughter, Helen Ruth, a graduate of Woman's College of Denver, Colorado, and the wife of Richard Horton and mother of Thomas Horton.

Tom and Carole.

Mrs. Horton enjoyed travel and providing a warm and hospitable home for family and friends. She was an accomplished bridge player and excelled at needlework, a legacy she left to both her daughter and daughter-in-law. She was a member of the First United Methodist Church, the Services League of Bartlesville, Hillcrest Country Club, one of the original supporters of the Bartlesville Symphony Society and a Docent at Woolaroc.

Mrs. Horton is survived by her husband, Richard A. Horton, one son, Thomas A. Horton and his wife, Debbie of Katy, Texas, one daughter, Carole Horton-Howe and her husband, Robert Howe of Mission Viejo, California, and one grandson, Drew Millstead Horton of Kansas City, Missouri, cousins June Cleary and Bob Gordon of Tulsa and Carolyn Finkey of Sun City West, Arizona, and numerous friends.

EXAMS HALTING CAGE PLAY IN CURRENT WEEK

NEW YORK, Jan. 20.—(AP)—An annoying part of the college basketball season is the interruptions.

Starting early in December, the campaign is just getting up speed when it runs into the Christmas holidays. Then when the conference and league struggles are beginning to get hot in mid-January, examination time comes along. This means another period when comparatively few games are played and it means a lot more to teams whose stars become ineligible as a result.

So far this month there have been enough games in the major college circuits to weed out the weakest teams and in some cases to reveal undisputed leaders. But there's a sharp drop in the number of games scheduled this week and next, when examinations are being held, and few, if any, changes are likely before Feb. 1.

The ins and outs in various major conferences at present are:

Ins—Eastern league, Dartmouth with three straight victories; Big Ten, Ohio State and Indiana both undefeated; Big Six, Oklahoma, Kansas and Kansas State tied for

Today's Pattern

PATTERN 8778

Truly, this is one of the nicest fashions ever designed especially for large woman. It's so beautifully suave and smooth in line, and so perfectly planned to give a slim-hipped, high-busted effect. The detailing is very simple and easy to do—gathers just below the shoulders, long, radiating darts at the waistline, a plain, paneled skirt with a gradual flare.

Make this design (No. 8778) of flat crepe, sheer wool, velvet or a gay new print, to wear under your winter coat—it's a pattern you'll want to repeat throughout coming seasons, too. Use a bit of contrast to call attention to the unusually pretty neckline, so becoming to full faces.

Pattern No. 8778 is designed for sizes 36, 38, 40, 42, 44, 46, 48, 50 and 52. Size 38 requires, with three-quarter sleeves, 5 1-3 yards of 39-inch material without nap; short sleeves, 4 3-4 yards; 1-8 yard contrast to trim neckline.

Dear Mrs Nunneley:

In answer to your letter of Feb. 1st. I guess you thought I was not going to answer but we have spent our winters in Fla since my husband has retired from his Furniture store & Funeral Home Busine He had a Heart attack & was forced to be retired. But is a lot better now since all the Pressure of business has been taken away. Although cant do any difficult Work especially something that he uses his arms are lifting anything heavy.

My daughter in Law is a back history person and she knew a man that thought he remembered the Laney Cemetery at Lively Grove, so he went to look. It was back off the road in a Grove of trees with a Bob-Wire fence around it. The stones of course are old & some have fallen down Most of the stones have warn off but he found a stone that had a William crain also their was daughter son of W & Sarah crain Henrieth (Cora Daugh of W H & mary crain born May 2 1867 Died Feb 26-1867. The dates that were on William & Henrieth was so warn he judged them to be 1859 & 1862 which dont agree with the dates you sent me, but he said the dates were so worn that you really couldnt make them out. so possibly they waned be the William crain you are talking about

our family which is Catherine & Frank
Hoods never knew anything about the
family of our Grandmother It was never
talked about, My Grandmother died when
I was eight years old, We always thought
or was told she was born before she Maried
Grandpa Hendricks. To our knowledge we
never knew what happened to the crain.
Mother always talked about the second
family and seemed to think very highly
of them she had been to see them sometime i
Kansas. at one time we had a picture of their
house, but I just couldn't find them in her
papers. Although I did find some letters from
Mrs Gillon & Aunt Ella Mitchem. They had
written to Mom (Clara Hood Wasson) about their
trip home. When they come out to see Grandmot
before she died. I remember they stayed at our
house & we took them to see someone in Elkt
but I can't even remember the name. We ~~visit~~
visited them all day and had lunch with
them. Of course they are dead as to me they seemed
like they were older that my folks are Mom's
aunts. I don't think I have been to Elkton since
but it is just a spot in the road now. They
the people who went to see about Grave
suggested you write to the Records in Tenn,
about the alfred D crain or crane) about 1860 If you find out
anything about him I would like to know. as
all are family don't know anything about him.

Mom alway talked about a Laura &
George I don't which of the families they
~~belonged~~ too I thought Aunt Alice at Least
belonged
George was a Doctor I remember that.

It is terrible when you dont know your family the only Aunt left died a 2 year ago Christmas day (1979) she was alex Hood's wife and she was over 90 years old when she died Maybe she could of told us something

I also remember Mom telling me about Uncle Bill and I think George how they would come to Grandpa Hoods stay maybe a Month maybe 6 month or maybe a year and then they would take off not saying when & where they were going. Maybe several years latter here they would be again. Never knew when to expect to see them.

Im sending you a list of Catherine Crain Hood's children I dont know whether you want them or not they are all dead, but one of the boys wives and she lives with a daughter in Stanton Calif.

I have some letters written by Aunt Sis & Mabel & Mrs Gillon Im going

④ to send them to you and if you
dont have picture of Grandpa Hendricks
I will send it to you. as I found one among mom papers

I wish I coued be of more
help but seems like you know
more than any of the Hoods about
Grandma's idenification. You know we dont ~~you~~
really think abaut such things until all
the older generation is gone and then
wish you knew more & had asked more
questions when they were here.

Which one of the Hendricks family
do you belong to?

We are coming out west in June
and would really like to get acquainted
with the families out there. My
husbands father lives in Brawley calif. He
is 89 will be 90 in August so we try to
visit him once a year. And when we
Pass the signs that gives some of the
names I've heard my mother speak
about the Hendricks lived there, I've often
wondered if any of the ones she spoke
abaut were still living.

Did you write this piece for the
Washington County Records the name at the
botton of piece was Mary Metzinger
Munneley (Im Enclosing it with this
letter. Write again Please

Saw your query at GenForum concerning Margaret Wilson (10 Jun 2000). I have worked on this line, without success for almost 25 years. Will share the following:

Father: Unknow Black
Mother: Mary Martin
born ca 1803 - SC
died - 27 Sep 1871
buried - Oak Grove Cemetery - Montana Twp. - Labette Co. KS
Known children of Unknown Black and Mary Martin:
Martha Jane Black
born - 1825 - Alabama
died - 1914 - Washington Co. IL
married - 8 Jan 1842 to John Lane

MARGARET ANN BLACK
born - Oct 1826 - Alabama
died - 1916 (I do not have a day or month)
buried - Borland Cemetery - Cherokee Co. KS
married - ca 1845 to James A. WILSON

Lewis L. Black
born - ca 1835 - Alabama
died - before 1880 census (one of his sons was living with his sister, Margaret Wilson, and was listed as an orphan)
married - ca 1856 to Winsey (last name unknown)

Mary Martin Black married # 2 / Abraham Simons on 14 May 1840 in Washington Co. Illinois, and had one known child:

Nancy Jane Simons
born - 19 Apr 1844 - Washington Co. IL
died - 23 Sep 1915 - Stippesville, KS
buried - Oak Grove Cemetery - Montana Twp - Labette Co. KS
married - 31 Aug 1861 (date not proven) to John Hatch Crain.
The KS death certificate of Nancy Jane Simons Crain lists her parents as: Abraham Simmons and Mary Martin.

A lengthy obit for my great-grandmother, Nancy Selinda Johnson Hendricks (wife of Judge George Washington Hendricks - both buried at the Oswego, KS Cemetery) was published in the Oswego Democrat on Aug. 17, 1907. It stated that she was born in Lauderdale Co. Alabama on Jun 22, 1835 and moved with her widowed mother to Illinois in 1847 (they moved to Washington Co. IL). Among her survivors are listed two cousins: Mrs. Margaret Wilson of Mineral, KS and Mrs. J. H. Crain of Hallowell, KS.
Those two cousins are the daughters of Mary Martin Black Simons.
Nancy Hendrick's mother was Sarah Martin Johnson...Sarah was living with Lewis L. Black on the 1870 census (she would have been his aunt and a sister to his mother, Mary Martin Black Simons.
I have tried for years to find out the names of the husbands of Mary Martin Black Simons and Sarah Martin Johnson (my great-great grandmother)...........no luck. Do you have any ideas????

Mr. and Mrs. Louis Lammers

Kelly, James and Vicki, Mary Louise married Woodrow Woodrome. Harry Arthur of Birmingham, Alabama, not married and Eva married Fred Parsons. They have two children, Rebecca and Bradley.

Arthur Lammers married Marie E. Sorenson of St. Louis, Missouri 1934, who survives him. There were two children, Jacquelin 1935, stillborn, and Albert William 1940. Albert married Joyce Jean Garner 1963. They have two sons, Eric Jason born Frankfurt, Germany 1967 and Bryan Douglas born Belleville, Illinois, 1974.

Bertha Lammers was born 1894-1969.

Louis Lammers learned the tinners trade from A. Eppel in what was the Moehle and Eppel Building, later the Moehle and Tscharner Building. He then went into business for himself and as his sons Harry and Arthur grew older they worked with him. Harry continued in the business after his father's death until ill health forced him to retire. Arthur much earlier had gone to E. St. Louis to work, but continued in the same line of work. He also worked for Gewe Hardware in Nashville, Illinois. In 1945 Arthur established his own heating, and plumbing business in Okawville, operating same until ill health made him retire.

Louis Lammers before learning the tinners trade worked in his father's mill in Okawville until it ceased operation. *BY: MARION M. MORGAN*

JOHN LANE, SR.

John (1822-1891), a native of Tennessee, and his bride Martha J. nee Black (1825-1914), a native of Alabama, arrived in Washington County about 1843, after residing a short time in Poplar Bluff, Missouri. They settled on a farm three miles southwest of Nashville. Ten children were born to John and Martha from 1844 to 1866. The first three children did not survive to adulthood. The fourth child Margaret (Mag) married James R. Stewart, and lived on a farm adjoining her parents' farm. Three children were born to this marriage. Elmer, the oldest, married Clara Buhrman of Nashville. They had one son Frank, who in turn had two children, who survive today living in Chicago and Florida. Elmer and Clara Stewart were farmers and lived on the James R. Stewart farm till their retirement, when they moved to St. Cloud, Florida, where both died. The second child born to James and Margaret Stewart was a son named John, who moved to Houston, Texas, where he married and died childless. Mattie, the youngest of the Stewart children, married Joseph Nehrkorn of Tamaroa, and they lived most of their lives in Nashville, and died childless.

The fifth child born to John and Martha J. Lane was Naomi (1853-1910), who married John Flannigen. They moved to Colorado, had three children, John Jr., Martha E., and Lucy. The Flannigen family later moved back to Illinois, and lived in the East St. Louis area. None of the Flannigen children married, and all have passed on.

The sixth child was Martha J., named after her mother. She never married, and died in 1914, the same year that her mother expired. John W. Lane (1857-1938) was the seventh child of John, Sr. and wife, and his history is a separate entry. Lucy E. (1859-1942), the eighth child of John Lane Sr. married a widower, William Rountree. Lucy, who lived on her parents' farm, was childless. Joseph H. (1863-1937) was the ninth child. He married Madge Hester of Beaucoup, and they had two daughters Zelma and Zora. After residing in the Beaucoup, Nashville area for several years, the family moved to Chickasha, Oklahoma, where they lived and died. Later, following Zora's death in Chickasha, Zelma and family moved to California.

John, the oldest, married Emily May of Nashville, had no children and lived in Nashville till his death in 1962. John was the Texaco gas distributor here for years. The younger child of Thomas A. and Hattie was a daughter, Sybil, who left here after the death of her mother. Thereafter father Thomas A. moved to Heber Springs, Arkansas, where he lived for a number of years, till finally returning to Nashville. He lived for many years at Lane's Fruit Farm south of Nashville and finally moved into Nashville, where he lived with his son John till his death. *BY: JACK J. LANE*

Hi Helen,
Just noticed your answers on Genforum to several people concerning the Lane family of Washington Co. IL. I am interested in Martha Jane Black who married a John Lane in Washington Co. IL on 8 Jan 1842. It seems that they had the following children (from the History of Wash. Co. and other sources):
Mary E. (1844-1845)
Melathon (1847-1849)
Mary E. (1849-1849)
Margaret (ca 1851-)
Naomi (ca 1853-1910)
Martha Jane (ca 1855-1914)
John W. (1857-1938)
Lucy Emma (1859-1942)
Joseph H. (1863-1937)
Thomas A. (1866-1950)
I am trying to find out the name of the parents of Martha Jane Black who was born in Alabama in 1825..........
Have your material submitted to LDS Family History Center on this family and hope you can give me a lead on the Martha Jane's parents. I think I know her mother and some sisters and a brother, but need HELP.
Thanks much,
Mary R. M. Nunneley

Tips on Using the *Illinois Statewide Marriage Index*

- To avoid text wrapping to multiple lines, it may be necessary to select a smaller text size in your browser depending on your monitor's screen resolution. In most browsers, text size can be changed under the View menu.
- To print the list of marriages from the results screen, set your printer's page orientation to landscape.
- Illinois marriages were not required to be performed in the county of the bride's or groom's residence. If your search does not find a marriage in the county you expected it to occur, try selecting STATEWIDE in the location option box.
- The *Illinois Statewide Marriage Index* is an on-going project and does not currently include marriage records for all counties in Illinois or complete date spans for some counties. Click here for a list of counties and date spans included in the *Illinois Statewide Marriage Index*.

Hi Jeff,
I obtained the info on William C. Johnson from the Ellis and Martin Funeral Home register which was on microfilm through the LDS Family History Center Library.
Was amazed when I found your posting on the Watson family on Rootsweb. I am currently doing research on Civil War soldiers of Washington Co. Illinois. While researching Dennis Watson, I noted that you had posted that William Johnson had married Rachel Watson (sister of Dennis). Had no idea I would find some of my family on your site.......I knew William had married # 1, Elizabeth and # 2 Rachel. Great news for me to find that # 2 was Rachel Watson.
May I use some of your posted info in updating the Civil War record of Dennis Watson? It will be posted on the USGenWeb site by Wayne Hinton on the Washington Co. IL site. Please let me know.
Might mention, that William C. Johnson who was born in Alabama was a brother to my great-grandmother, Nancy Selinda Johnson Crane/Crain Hendricks (wife of Alfred D. Crane/Crain and Judge George Washington Hendricks). Nancy and George are buried at the Oswego Cemetery in Oswego, Labette Co. KS.
Please advise if I might use some of the info about Dennis..........

I'm searching for information on Lewis T Black and family, kids Louis, William, Margret, they livied in Washington County Illinois Lively Grove twp. I found them in 1860, 1870 fed census as a family. Something happen between 1870 & 1880 cause his son Louis, daughter Margeret was an orphan and William was not in the local area. Parents were gone. My Grand Father William Young was raised with the William Black son of L.T. Black of ARK. and later died in William Blacks home just outside of Oakdale in little town of Elkton Washington county IL in 1936.

Hi Mary,

No, I hadn't forgotten you. Been having computer problems. But hope it is up and running ok again. Going to add a larger hard drive shortly (the repairman that is) so that should end the problems like I've had the past couple of weeks, off and on.

Anyway, I've been looking through some more of my files to see what I might have to add. And, really very little. Did find a LOUIS BLACK, age 10, orphan, b IL, father b AL, mother b IL, in 1880 Washington co., IL census (Lively Grove). (living with Wm. T or J Kennedy and wife Margrette and 1 yr son. So, am assuming that he is a brother to the JAMES BLACK living with Margrette Wilson on 1880 census, same co & state and a nephew of Margrette's. In trying to place this Kennedy family, I have nothing to prove anything, but wonder if the Margaret Wilson (dau of Margaret Ann Black & James Wilson) born ca 1853, could have married this Kennedy. On the census record she was listed as age 25, b IL, father & mother both b IL. (if this be the case, the mother should have been listed as born AL,but I've found mistakes before on census records)—also Margaret was not at home with her mother on the 1880 census, but since she had a child age 1, probably married ca 1875 or so——.

I didn't know that Abraham Simons died in IL. I had always surmised that he also died in Labette co. KS. The cemetery records say that next to MARY's stone is a broken stone and it is gone. As for him having other family, I don't know of any other children for ABRAHAM SIMONS & MARY, but on the 1840 census, it says——
1 male under 5; 1 male 5-10; 1 male 30-40; 2 females 5-10; 3 females 10-15; 1 female 30-40. Also recalling that you said that he died at age 69 in 1879, means he was born ca 1810. According the 1840 census, he was 30 or over; then on 1850 census says he was 39, b IL. Wonder if his first wife died or if they divorced??? If she died, what happened to the other children? OH, more questions!!!!!!!

I have a little more digging to do, but wanted to get back in touch with you. If I should come up with anything, or whatever, will let you know.

Thanks, and GOOD LUCK!!!!!!

Marjorie Freeman

PS: If you will notice, I am sending CC to myself. I always do, then I have a copy of what I've written, so that I don't duplicate myself (at least, I hope not)

Hi Mary,

No, I haven't fell off the face of the earth. Just been extra busy, had company from CA and expect another couple this week from CA (they have been back home in Indiana visiting kin; then will pass through here this coming week--don't know just when). We went to Columbus for the Freeman family reunion the 5th of August. Then were out of town from the 12th to the 16th. And I've had a bout of cellulitis--meant Dr.'s visit, a prescription of 20 pills for $114.00, but I'm over it, thank goodness. And I've had computer problems again. Could not send out any e-mails, delete anything, etc. for about a week. Finally got my repairman over and he found 6 viruses. So he took care of them and then put on a much larger hard drive. At the time he was here, I was having printer problems, but we both thought a good cleaning would take care of those. Nope! Had to go buy a new printer. Also bought a anti-virus disc and downloaded it. So maybe I won't have any computer problems for a bit.

Anyhow, think I'm ready to get back in the saddle again. I have gone through the nice packet you sent, but done it at various times, so still not completely aware of all that is there. But will send a note on some ideas (you have probably already checked them out).

Regarding the 1830 AL census, I have gone through the various BLACK families (or their ancestors) and think these might be possibilities for the father of MARGARET, MARTHA & LEWIS. Some of the boys names that sometimes suggests a connecton are:

MARGARET	had a Lewis
	had a James Alexander
LEWIS	had a Lewis, James & Wm.
MARTHA	had John, and a Thomas A. (wonder if this could be Alexander

In looking thru the 1830 census index, it seems that the father could be

James	Butler co
Wm	Dale co
Alexander	Jackson co
Lewis B	"
Wm	"
Wm	"
James	Jefferson co
Wm	Limestone co
James	Monroe co
James E	Monroe co
Wm	Wilcox co

Also, I remember that 2 of MARGARET's sons middle initials were T.
Wonder if it could stand for Thomas or Thompson?

I see that there are some more kinship connections, even though a little far.
Nancy Selinda Johnson mar 1st Alfred D. Crain (son of Ezekiel)
Ezekiel was son of Lewis Crain & Mary 'Polly' Lindsey
Ezekiel was brother to Susannah Crain who mar. Wm. C. Crain
Susannah & Wm. C. Crain were parents of my John Crain who mar.
Mary Barkley (parents of John Hatch who mar. Nancy Simons)
Therefore Ezekiel was a great uncle of John Hatch Crain.

I've got some old 'Martin' quarterlies, that I'm going to look through. Have them stored overhead in the garage, so must dig them out. They are very old (believe in late 1980's), but will see if I can pin down any Martin who might be the parents or father of our Mary. Also will check out the 1790 SC census to see what Martin's I find. At least that will be a start on them. Maybe should also check the 1800 census for SC.

Also noticed on the work sheet on Abe Simmons & Mary Simmons-on the 1870 census, living with them were John Crawford & Bettie Crawford. Wonder if this could have been a niece or nephew of Mary's as they were both born in AL. They were 23 and 20 respectively, so they wouldn't have been in ILL prior to 1847 to 1850. However, she maybe had family remain in AL when the mother and other kids came to IL.

Anyhow, a great packet of data. And I could send you some stuff on our Wilson family and John Hatch Crain family, but don't know how much of that you might want, since they aren't your direct line. Just let me know.

Right now, I'm going to get those MARTIN quarterlies and start checking them. They are indexed by first name, but don't believe by state, so will take forever to go through them. But if something pops up, I'll be in touch. Think what I'll do, is go through page by page and make notes on all that had S.C. connections. Will be like looking for a needle in a haystack, but maybe we will be lucky. Will keep you abreast of any new findings.

My apology for being so long in getting an answer to you. Will try to be more prompt next time (and I usually am). Til later, good luck!!!!!

Mary,

Very glad to hear from you! Here is most of what I have:

JOHN H. CRANE, farmer, P. O. Labette City, came to Kansas in October, 1869, settling in Montana Township, five miles northwest of Oswego, where he purchased 160 acres of good land. Soon after his arrival he paid $8 per hundred for flour, and for other things in proportion. Mr. Crane was born in Washington County, Ill., 1841, was educated in the district school of that State, and brought up a farmer. He was married to Mrs. Nancy J. Simons, August 31, 1861. She was born in 1845, in the same county and State. Mr. Crane's parents are living in Cherokee County, Kas, having moved from Illinois to Kansas in 1868. Mrs. Crane's mother died in Kansas, and her father died in Illinois. Mr. Crane has eight children living, Isaac L., William Henry, Mary Ellen, Margaret F., Albert James, Clarence Eddy, Sarah Alice and Ida Jane. Mr. Crane is a prosperous farmer, having good stock buildings, fruit, etc.

The commissioners made the requirements that they would not build roads until highways were cleared up and hedges cut, if county pulls the hedge the land owners would build their own fence. They also decided that if the roads were built they would have to issue bonds to which there were no objections. FLOOD CONTROL MEETING MONDAY

Held at Humbodlt and Labette County Was Well Represented

More than 450 citizens of the Neosho river valley, meeting at Humboldt Wednesday, took definite steps toward the organization of a drainage district which would include the entire watershed of the Neosho river and its tributaries. The feature of the program was a talk by George S. Knapp, Drainage Engineer, State of Kansas in which he very clearly outlined the provisions of the new "Conservancy Act of Kansas." Mr. Knapp urged the citizens of the Neosho river valley to organize to help themselves in order to be in a position to co-operate with the Federal Government on the big program, which that body has in mind for the tributary streams.

The motions which crystallized the sentiment of the meeting and which provides that very definite steps be taken in organizing a drainage district were made by W. W. Brown, General attorney for the M. K. T railroad, Parsons. The motions which were adopted unanimously were as follows: Moved that the purposes of organizing a conservancy district the Neosho river valley and its tributaries that an executive committee composed of one member from each county be named from the Kansas-Oklahoma line, north to include Morris County and also include the Cottonwood river in Chase County.

Moved that a sub-committee of three members from each county be elected and that a Chairman from each county committee shall serve as a member of the executive committee.

Moved that the Executive committee with the assistance of the sub-committee from each county be instructed by this meeting to properly prepare petitions under the Kansas laws, proceed to get the required number of signatures and to then present said petition to the district court.

The meeting was sponsored jointly by the citizens of Humboldt and

CHAMBER OF COMMERCE MET MONDAY

Reports of Committees Heard and Other Business Transacted

The regular monthly meeting of the Chamber of Commerce was held last Monday evening at the Community Club rooms. An average attendance was present to hear the reports from the various committees and to transact the necessary business that came up.

The first committee report was the Fourth of July committee. J. C. Carpenter reported that the committee had met with the Modern Woodmen and had accorded them the fullest co-operation in the forming of their plans. He told the Chamber of Commerce what was expected of them and of the appreciation the Woodmen had expressed for the work done so far.

The road improvement committee of which Will Lawellin is chairman, requested that its members meet as soon as possible and drive out over the roads in the contest so that they could make a comprehensive survey in order that they could record the improvement later on.

The body unanimously went on record requesting that the colored grade schools put on their pageant Saturday afternoon, May 11th at 2:30 o'clock, on Commercial street. It was decided to rope off a block between 4th and 5th avenue for that purpose and advertise the event extensively to draw a crowd here Saturday. Mrs. Ola Loper, who witnessed the event last week, highly recommended it and urged that it be widely advertised as an unusually fine attraction. The following committee on arrangements was appointed: Dave Kerr, Harve Morris, Chas. Woolven, Billy Berlin and Geo. Reid.

N. R. Bickford, of the Just Laid Egg Farm, took the opportunity to express his appreciation to the members of the Chamber of Commerce for their loyal support accorded him during the past year. He is just closing down his incubators after a most

Posted by Carol Widdison on April 23, 1998 at 02:00:03:

I'm looking for relatives of William Jasper Huddleston born 1833 North Carolina, moved to Bedford County Tennessee prior to 1850 and is listed as a farm worker with brother Ellis in 1850 census. Served in Civil War. May have had sisters Sally and Candace, and parent/grandparent, Agnes. William moved to Illinois before the war and after the war lived in Missouri and then Oswego Kansas. He had five children. I have information on only two including my great grandfather, Andrew Jackson Huddleston. Any ideas?

Hi Carol,
Noticed your query of 23 Apr 1998 on GenForum concerning William Huddleston. I have been doing research on people buried at Oak Grove Cemetery, Montana Twp., Labette Co. Kansas. Most of those buried there are from Washington Co. Illinois.
The following are two listed:

Mrs. M. C. Huddleston, born 1833, died 8 July 1912, age 79 yrs
W. J. Huddleston, no dates on stone, Veteran Civil War

You might try to obtain the Oswego newspaper for July 1912 and try to find an obit for Mrs. M. C. Huddleston. You can probably get the paper on inter-library loan from the Southeast Kansas Library System through your local library. Oak Grove Cemetery is very near Oswego (2-3 miles). Maybe her obit will list children, etc.
I have been trying to find info on the Huddlestons only because they are buried in the cemetery. The names of many buried there are: Crain, Land, Lively, Johnson, Fugate, Hale, Logan and Simon - all from Washington Co. IL.
If you have not done so, you might try to obtain William's Civil War papers from the National Archives.
Good luck and hope you will let me know who they are!!

Charles:

By way of introduction, I am also a descendent of Ezekial's father Lewis Crain of Sumner Co, TN. Lewis' oldest daughter Susannah married my GGG Grandfather William
C. Crain (no apparent relation). A few years after William's death in 1816, she married Henry Wright. Along with other Tennessee Crain relatives, including her sons by William, they took the migratory route leading to Cape Girardeau, Mo. and then to Washington Co., IL.
What gaps are you trying to fill? I don't have a lot of information on Ezekial and his descendents, but I'm willing to share whatever might help. E.g., I have some facts on William such as his military service and where he is buried.

W. L. CRAIN

DIED--Sunday, March 5, 1899, W. L. Crain, aged 82 years, 3 months and 12, days.

Deceased had been a resident of Oswego for several years up to within three weeks prior to his death, and his many friends will be sorry to learn of his sudden demise. Four weeks ago, The Oswego Independent chronicled the death of his wife and it is thought the attention he gave her during her last sickness together with the weight of years proved too much for his physical ability. His son, A. J. Crain moved him from Oswego to his home in Cherokee county, where he was kindly nursed; but at 10 a. m. on date above mentioned the lamp of life refused to burn and his spirit took its everlasting flight.

Mr. Crain was born in Tennessee, but in an early day moved to southern Illinois, in Washington county, where he resided for fifty years. Twelve years ago he moved to Cherokee county and since then remained a resident of the state until his death. He professed religion when 18 years old and lived an exemplary Christian life. He could say as did Paul: "I have fought a good fight, I have finished my course. Oh, death where is thy victory? Oh, grave where is thy sting? I step forth from thy tabernacle to the holy hill of the Lord."

Deceased moved to LaBette Co., KS in Oct 1870, settled on the raw prairie where he battled with sickness and misfortune, burying his two oldest sons, aged 17 and 11. He was identified with the Missionary Baptist Church where the town of Edna now stands. Alabama 1850

3 October 1977

Dear Mrs. Groennert:

Thanks so much for your letter and the information. I have, since sending my query, found out that Nancy S. Johnson Crane(Crain)Hendricks had a brother Augustus Prout Johnson, born 11 Aug 1829, died 21 Feb 1902 at Weir, Kansas.

I have copies of the marriage certificates for Alfred Crane/Nancy Johnson on 12 Sept 1850(Book A, Page 30) and George Hendricks/Nancy Crane on 22 Dec 1861. Since Nancy was only 15 years at the time of her first marriage, someone must have given permission for her to marry, but the County Clerk of Wash. Co., did not include this information which I had hoped might reveal a parent or another family member. Would it be possible for you to check for any such information or give me some idea how I can obtain such? I think before doing the Wm. Johnson will search, this might help.

I might add at this point that George Washington Hendricks and Nancy S. Johnson Crane Hendricks are my great-grandparents. Since Grandfather G. W. Hendricks was a judge and an attorney at Oswego, Kansas, he just must have been a record keeper, but alas, they did not get this far!

Must tell you how much I enjoy "Looking Back". It is excellent and have read and re-read each article and statistic. Please tell everyone involved how much I appreciate the publication, for we who have so many family ties in Washington County but live so many miles away can now feel closer to our ancestors and now have help in our search.

If anyone in Washington County is working on the cemetery inscriptions for Nashville, Elkton or Plum Hill, I would very much like to know if and when it is published. I feel sure that(from family stories)many of my Hendricks family are buried in that area. Hope Looking Back will let us know if anyone is or has worked on this project.

Again, thank you for the 1850 Census information and have great hopes that Sarah Johnston(Johnson) may be what I am looking for. I will get the census through our local library and give this a look and also, look for Augustus Prout Johnson in this county.

I think the day will come when I must visit Washington County, Illinois. I just cannot stand having so many ties to an area and know I have never been to see the place. Until then, "Looking Back" must be my contact. Enclosing a couple of SASE's.

Sincerely,

5 July 1977

Enclosed is a self-addressed envelope and my check in the amount of $2.00 for a full copy of the death certificate of the following person:

Augustus P. Johnson

Born: 11 August 1829 - probably in Alabama
Died: 21 February 1902 - Weir, Cherokee Co., Kansas
Buried: Hosey Hill Cemetary - Weir, Kansas

I am requesting this copy of the death certificate of my uncle to assist me in the genealogical research of our Johnson family.

Thank you for your assistance.

Sincerely,

Mary Nunneley

Query for quarterly, JOHNSONS & JOHNSTONS OF ALABAMA

Seeking Alabama locations, name of husband and maiden name of Sarah Johnson, born about 1795, South Carolina. Died after 1870, probably in Washington Co. IL. Known children: (1) Elizabeth Johnson, born about 1824, Alabama (may have married John Watson). Living in Illinois in 1907 at death of sister, Nancy Selinda Johnson Crain/Crane Hendricks.

(2) Augustus Prout Johnson, born 11 Aug 1829 (obituary says born at New Athens, Montgomery Co., AL). Died 21 Feb 1902, Weir, Cherokee Co. KS (married Francis Crain/Crane) (3) William Johnson, born about 1833, Alabama (married #1 Elizabeth and #2 Rachel) . Living in Labette Co. KS in 1880. (4) Nancy Selinda Johnson Crain/Crane Hendricks, born 22 Jan 1835 (obituary says born Muscle Shoals, AL). Died 13 Aug 1907, Oswego, Labette Co. KS. (Married #1 Alfred D. Crane and #2 Judge George Washington Hendricks, both marriages in Washington Co. IL) Had 14 children by two marriages. (5) Jackson Johnson, born about 1837, AL. Nothing further known. The obituary of Nancy Johnson Crane Hendricks (my great-grandmother) says that she moved in 1847 from Alabama with her widowed mother (Sarah Johnson) to Washington Co. IL. Sarah Johnson may have had additional children, names unknown.

Any help or suggestions most appreciated.

Hi Mary,

Have been going through my past correspondence on the BLACK family to see if I can come up with something (wishful thinking). Am including a bit of data (which I can't connect directly at this time) which I've received over the years, some from a private researcher I hired. I still think the LEWIS T BLACK in Limestone co., AL is a strong possibility, but yet to be proven.

And thank you for opening my eyes pertaining to the Wm T Kennedy/Margaret Wilson marriage. I already had Wm T. Kennedy, but I had him connected to his 2nd wife Lucinda Allen, who 1st mar. Jasper C 'Jack' Wade and had issue of 4 children.

Then I also knew she had married Wm. T. 'Will' Kennedy, but didn't know he had been married previously. A little different, but Loren has connections thru the Wilsons and also the same Allen line. Lucinda was Loren's grandmother Agnes Allen's half sister; Margaret Wilson was his grandfather's Abram Wilson's sister. This grandfather, Abram Wilson married Agnes Allen. So I've been working some on that the past day getting that data into my files.

Now on with the BLACK data:

1820 Limestone co., AL census, pg 117:
LEWIS T. BLACK males over 21 1 females over 21 0 2 slaves
males under 21 2 females under 21 0

1830 Wayne co., IL census; pg 28
LEWIS BLACK males under 5 1 females 20-30 1
males 20-30 1

According to Limestone co. AL records, there was a LEWIS T BLACK bound to James Slaughter & Ebenezer Frazier on 4 March 1822 (this may indicate he was a debtor). He is not found on any later Limestone co., AL records.

LEWIS T BLACK acted as guardian for Rachel Sims from 7 June 1820 to Jan 1824, when he filed his final accounts and was removed as guardian in said Co.

1830 Wayne co., IL census, pg 80
LEWIS BLACK males under 5 1 females under 5 1
males 15-20 1 females 20-30 1
males 20-30 1

1840 Marshall co., IL census, pg 192 (Lacon Precinct)
LEWIS BLACK males under 5 2 females 5-10 1
males 10-15 2 females 10-15 3
males 20-30 1 females 30-40 1
males 30-40 1 females 50-60 1
males 70-80 1 females 60-70 1

1850 Marshall co., IL census, pg 124, dw 7, fa 7

LEWIS BLACK	W M	50	farmer	b KY
Sarah	W F	43		b KY
John	W M	21		b IL
Margaret	W F	19		b IL
Susan	W F	17		b IL
James	W M	12		b IL
David	W M	3		b IL
also WM BLACK	W M	43		b KY (mhf note: can this be LEWIS's bro?)

living next door on census, to LEWIS BLACK, pg 124 or 125; dw 8; fa 8
ISAAC BLACK W M 43 b KY

Elizabeth	W F	38	b KY
John J	W M	17	b IL
Mary	W F	15	b IL
James	W M	13	b IL
Daniel	W M	11	b IL
George	W M	8	b IL
Nancy	W F	5	b IL

I thought the 1830, 1840 sounded like possibilities, but when I got to the 1850, the Margaret listed age 19, dampened my thoughts-----my Margaret Black got married in 1845 to James Wilson.

The LEWIS BLACK family that was in Marshall co., IL is as follows from another researcher: (she said she used the 1850 Marshall co., IL census, 1830 Wayne co., Il census, 1820 Limestone co., AL census records for her sources)
LEWIS BLACK, b ca 1800, Barren co., KY (son of John Black & Agnes Lewis)
mar 18 Sep 1823 in Wayne co., IL to Sally Martin, b ca 1803
Issue:

John Henry Black	b 1829	IL
Margaret Black	b 1831	IL
Susan Mary Black	b 1833	IL
James W Black	b 1838	IL
David Lewis Black	b 1847	IL

Now some food for thought----could our LEWIS BLACK, been born in KY, then parents moved to AL; then he came to IL. But wait, my MARGARET was b in AL; also it says LEWIS & Sally Martin married in Wayne co., IL

Wayne co., IL 1853 probate records: Bill of complaint filed by Wm. Campbell. Names listed:
LEWIS BLACK, MARY ANN BLACK, Wm. Campbell, Elizabeth Campbell, George J. Campbell, Rachel Frazier, Enoch P Turner, Ann Eliza Turner, Joseph Berry, Margaret Elizabeth Berry.

1850 Wayne co., IL census

LOUIS BLACK	33	b KY	farmer
Mary	31	b IL	
George	11	b IL	
M.	4 F	b IL	
Louisa	2 F	b IL	

I know nothing concrete here, but thought you might see something that I'm not.
Do you have an 1850 census for a LEWIS T BLACK & wife in Washington co.,IL? I don't have anything for 1850 except the Marshall co.

Did your grandkids return home today? Bet the house seems quiet this evening.

Hope I haven't muddled your mind too much with the above, but thought i'd send it just in case...............

Later.

Hi Mary,

So good to hear from a fellow researcher. I, too, am stumped on the BLACK, WILSON, SIMONS line. Will go through your letter and try to piece together what I know on the families. I have searched for some of these families for 15 years and not much farther along now than I was then. But someday, something will surface that will shed new light for us, I HOPE. So, I will give you some various thoughts to ponder, along with filling in a few dates that you didn't have. You shed a completely different light on the Martin/Black/Simons family. I had never suspected that Mary Martin Black married for her 2nd husband, Abraham Simons. I knew that Abraham and Mary Martin were Nancy Jane's parents. (And that is as far back as I had gotten on either of those lines)

Now for the BLACK family:

I had never found MARGARET Black Wilson on the 1880 census; however I've been trying to pull up the 1880 census, and right now can't get that web site to open. I do have she and JAMES WILSON in the.......
1850 Washington co., IL census
1860 Washington co., IL census
1870 Washington co., IL census
then MARGARET and some of her children on the ....
1885 KS census, Lola twp
1910 KS census, Ross twp

(I need to see if I can find her on the 1895 KS, 1900 KS, 1905 KS (checked this once for her but never found her; need to check the various children's censuses.)

I had looked for JAMES and not particularly MARGARET when I used to go to Topeka to do research. Now I have some of the census records--1790, 1880, 1890 partial, 1900, 1910, 1920 on a web site which I subscribed to)
Since I didn't find James Wilson on the above listed, I assumed he died before she moved to KS or shortly thereafter.
Back to the BLACK family, many years ago I had subscribed to the 'Black family' newsletter. After I had placed a couple of queries, the editor suggested that MARGARET's father may be LEWIS T. BLACK of Limestone co., AL, so I chased that for quite some time. Her reasoning was one of MARGARET's children was named Lewis T. Wilson; other sons were James Alexander, William T and Abram Simon who was my husband's grandfather.
MARGARET ANN BLACK was born Oct 1826, Alabama (I don't have the exact date, nor place of birth except AL)
She married 27 Nov 1845 to James Wilson, in Washington co., IL
She died 18 Sept 1916, Cherokee co., KS; buried Borland cemetery, same co.

There was Lewis T Black in Limestone co. AL on the 1820 census, reads:
males over 21 1 females over 21 0
males under 21 2 females under 21 0

Then I found 2 Lewis Blacks in Wayne co., IL in 1830; which read:
males under 5 1 females 20-30 1
males 20-30 1

males under 5 1 females under 5 1 (this one and the one directly below
males 15-20 1 females 20-30 1 could be the same family, census
males 20-30 1 records 10 years later)

1840 IL,Marshall co.
Lewis Black males under 5 2 females 5-10 1
males 10-15 2 females 10-15 3
males 20-30 1 females 30-40 1
males 30-40 1 females 50-60 1
males 70-80 1 females 60-70 1

1850 IL census, Marshall co (Now I don't think the earlier listings are the family that were in AL)(notice his birthplace as KY, however could have moved to AL) charset="iso-8859-1"

Lewis Black	50	M W	farmer	b KY*********

John	21	M W		b IL
Margaret	19	F W		b IL
Susan	17	F W		b IL

James	12	M W		b IL

also

William Black	43	M W	b Ky (MHF--I imagine a brother to Lewis)

and next door was an

Isaac Black	43	b KY

and his wife and children

On the WILSON family, I have nothing on parents of our JAMES who married MARGARET ANN BLACK.

Children of MARGARET ANN BLACK & JAMES WILSON:

Elizabeth	mar. Taylor Hill
Martha	have nothing further on her
Margaret	" " "
Louis T	never married
James Alexander	mar. Addie Bonebrake
Abram Simon	mar. Agnes Janette Allen
William T	never married
Mary A	believe she may have married Leonard Allen (not proven yet)

MARGARET A WILSON's death certificate states she was born in Alabama, father's name not listed; mother's name is MARY BLACK. One of MARGARET's sons was the informant. And it doesn't give a birth date, only the month and year.

I have nothing of importance on the MARTIN family; but since it seems that first married a BLACK; then ABRAHAM SIMONS, believe I have been hunting in the wrong area. I had checked various Washington co. IL census records but had found nothing of great interest. I did have MARY's death date and the cemetery info (notice I have she was age 88 at time of death, so she would have been born ca 1783.) According to a note in cemetery records that I found in a book in Topeka, it says that the stone beside MARY's is broken and gone. The next time we are down home, if I can find the time I'm going to try to find that cemetery. I've been to Borland and McKee in Cherokee co., KS; but none of the ones in Labette co.

I have little to offer on ABRAHAM SIMONS except I do have the 1840 & 1850 Washington co., IL census. They read:

1840

ABRAM SIMONS	1 male under 5	2 females 5-10
	1 male 5-10	3 females 10-15
	1 male 30-40	1 female 30-40

1850

ABRAHAM SIMONS	39 M W	farmer	b IL
MARY	47 F W		b S.C.
NANCY J	6 F W		b IL

also

LEWIS BLACK	15 M W	b AL

(MHF note: notice a Lewis Black living with what would be his mother; had always wondered just why a Black was there, but never gave it much serious thought)

I need to see if I can find ABRAHAM & MARY on a 1860, 1870 census. I checked 1860 Wash. co., IL before and didn't find them; need to check a census index and see if I can locate them that way.

Now on NANCY JANE SIMONS CRAIN--this is my husband's great grandmother

NANCY JANE SIMONS, b 19 April 1843, Washington co., IL

d 23 Sep 1915, Stippville, Cherokee co., KS (have copy of death certificate)

buried Oak Grove cemetery, Labeette co., KS

married 29 Aug 1861, Washington co., IL (I have a copy of their marriage record)
JOHN HATCH CRAIN

I have copy of NANCY's obituary, from Oswego Independent, Oct 1, 1915 issue:
Nancy Jane Crain was born April 19, 1843, in Washington cpunty, Illinois; died Sept 23, 1915,at Stippville, Kansas, aged 72 years, 5 months and 4 days. She died at the home of her son, Albert Crain. She was married to John Hatch Crain August 1854 and settled in Labette co., KS in 1869, where they lived for a number of years; then moved to Cherokee county wherey they lived until Mr. Crain's death, and lived with her daughter, Mrs. Aaron Bingham, in Labette county until a short time before her death. She was the mother of eighteen children, eight of whom, four boys and four girls, survive her, also one sister left to mourn the loss of a loved one. She had been a member of the Methodist church since girlhood. She was a good and faithful companion, a kind and loving mother and those that knew her best loved her as a true friend. Funeral services were held at Oak Grove school house Sunday at 2 p.m., conducted by Rev. Porter. A large crowd of friends and relatives attended the funeral and followed her to her last resting place and seen her laid in the family lot in Oak Grove cemetery.

A precious one from us is gone
A voice weloved is stilled
A place is vacant in our home
Which never can be filled.

God in his wisdom has recalled
The boon his love had given,
And though the body slumbers here
The soul is safe in Heaven.

Don't know how confused I've gotten you, but thought these bits of info might be beneficial in some way. You have painted a different picture for me, due to the marriage of my MARY BLACK's marriage to ABRAHAM SIMONS. I had no idea but the wife MARY MARTIN was ABRAHAM SIMONS only wife. Now another goose chase to find who his first wife was. But that can wait for now. Believe our prime search for now is the husband of MARY MARTIN and and whom their parents were.

Mary, I would like a copy of the obituary of your great grandmother.
Notice in NANCY's obit, it says there was a sister surviving. I don't know who that is, either.

If you think I may have anything further on any of the above, please do ask and I'll see what I have.
After scanning all the above, it makes Loren's great grandmother MARGARET ANN BLACK WILSON a half sister to his other great grandmother, NANCY JANE SIMONS CRAIN. (18 yrs difference in age)

Until later, thanks for getting in touch. Let's keep in touch as one never knows what may surface.

PS: Loren was born near Borland cemetery; I was born in the next county north, Crawford co.

Finally got the genealogy work sheets for Martin/Johnson/Black/etc., copied and will get them in the mail today. Please know that the material is just 25+ years of looking, without many results. I have not stopped long enough to type many of the sheets, so are only rough drafts which will change over time.
I really started the Martin/Black/Wilson research because of the "two cousins" listed in the obit of my great-grandmother, Nancy Selinda Johnson Crain Hendricks. I determined, as I think I told you, that they were the children of Mary Martin Black Simons. Came to the conclusion that Nancy's mother, Sarah Johnson and Mary Black Simons were sisters........thus Martins since I knew Mary's maiden name.
By the way, I have no indication of any ties to Kentucky (your material from the hired researcher).` All census records of the family tie everyone to Alabama and South Carolina.
Will be anxious to have your comments after you have had time to look over the material and hope you will share what you have.........

For those of you that are not familiar with the 1840 Census, only the head of household is listed by name, and that person as well as the rest of the household are included in their respective age brackets. The age brackets are the same for males and females, and are in 5 year increments for the first four, and thereafter in 10 year increments: 0-5, 5-10, 10-15, 15-20, 20-30, 30-40, etc. The age brackets for free blacks is different, and has been enclosed in parenthisis.

Please keep in mind that anything you find in parenthesis ( ) in this document is on the microfilm. Items enclosed in brackets [ ] are additions made by me. Although I have tried to be as correct as possible, I strongly suggest that you check the microfilm.

Greetings, cousin:

I didn't find anything much on the Hendrickses on my recent trip to Kentucky. Adair County is close to where I was hunting Johnstons, Thomases and Abells in Marion and Green Counties so I went there fairly early in the trip. I spent a couple of hours in the courthouse looking for that James Hendricks/Sarah Brown marriage record. It wasn't in the index, as far as I could see, so I went through the actual records for the period. They aren't in date order, as you might expect, but are in a sort of jumble. Looks like someone just wrote them in the book as ministers reported them. They didn't have bonds and permissions, like other county's records. Finding nothing there or in the will book, I went to the library, where I found a book, "Adair County Kentucky Marriage Records, 1802-1840." And, there, on page 39, was: "Hendricks, James and Sally Brown. Attest Walter Brown. 29 Jan 1838." So I bought a copy of the book and hurried back to the courthouse and went through everything again, enlisting the help of a couple of employees. No record. "Look," I said. This book came out in 1998. Someone found that record then. Why can't we find it now? Are there any more records besides those books there?" Nope, that's all there are. Damn! Anyhow, I have the book. There are quite a few Browns but the only other Hendricks (Felix) has a note saying it should be Hendrickson.

Knox County was no help, either. I had been on the road two-and-a-half weeks by the time I go there. late one evening. Next morning, I headed over to the library and found it closed until 1 PM. So, I went over and had a look at the Cumberland Gap, which several of our ancestors must have come through on their migration into Kentucky. I didn't see any sign of Hendricks or Johnston over there though. Thought maybe one of them might have carved his or her name in a tree trunk.

Back in Barboursville, at the library, I found almost nothing. The 1810 Census, which I imagine you have seen, was in a printed, alphabetized form and Margaret was there, with 3 boys under 10, one 10-16, one girl under 10, one 10-16, and one female, Margaret herself, I imagine, 25-45. She was the only Hendricks. Marriage records were organized, alphabetized, and index, but began with 1816. There were no Hendrickses. A John Hendrick married Frances Harris May 1, 1819. In a publication called 'Knox County Kentucky Kinfolk,' December 1978 issue, is a list of older marriage records compiled by the local DAR and it has an Alicy Hendricks, who married Robert Bailey Nov. 27, 1810 (Jas. McNeil, JP).

I don't know, now, why I didn't go to the courthouse and look for those marriages. All I can say is I was totally genealogied out before I even got to Barbourville and only wanted to be at home. So I left mid-afternoon and drove way into the night so I could make it the rest of the way home the next day. And I did.

I had more luck with the other side of the family, finding verifications of stuff I already had clues to and visiting cemeteries where ancestors are planted (though tombstones are gone or are weathered smooth). I did verify that Benjamin Thomas, the father of Absalom's wife, Elizabeth, was, indeed, the guy also known as Bennett, thereby solidifying that whole ancestry way back to 17th century Maryland. I didn't solve the puzzle of Absalom's ancestry, which was the main thing I hoped to accomplish.

And, the high point of the trip: a tour of the Maker's Mark Bourbon distillery at Loretto. The warehouse where they age jillions of barrels of

Finding nothing there or in the will book, I went to the library, where I found a book "Adair County Kentucky Marriage Records, 1802-1840." And, there, on page 59, was: "Hendricks, James and Sally Brown. Attest Walter Brown, 23 Jan 1833." So I bought a copy of the book and hurried back to the courthouse and went through everything again, enlisting the help of a couple of employees. No record. "Look," I said. "The book came out in 1998. Someone found that record then. Why can't we find it now? Are there any more records besides those books there?" Nope, that's all there are. Damn! Anyhow, I have the book. There are quite a few Browns but the only other Hendricks (Enloe) has a note saying it should be Hendrickson.

Knox County was no help, either. I had been on the road two-and-a-half weeks by the time I got there, late one evening. Next morning, I headed over to the library and found it closed until 1 PM. So, I went over and had a look at the Cumberland Gap, which several of our ancestors must have come through on their migration into Kentucky. I didn't see any sign of Hendricks or Johnston ever there though. Thought maybe one of them might have carved his or her name in a tree trunk.

Back in Barbourville, at the library, I found almost nothing. The 1810 Census, which I imagine you have seen, was in a printed, alphabetized form and Margaret was there, with 3 boys under 10, one 10-16, one girl under 10, one 10-16, and one female, Margaret herself, I imagine, 26-45. She was the only Hendricks. Marriage records were organized, alphabetized, and index, but began with 1846. There were no Hendrickses. A John Hendrick married Frances Harris May 1, 1819. In a publication called "Knox County Kentucky Kinfolk," December 1978 issue, is a list of older marriage records compiled by the local DAR and it has an Alcy Hendricks, who married Robert Bailey Nov 27, 1810 (Jas. McNeil, JP).

I don't know, now, why I didn't go to the courthouse and look for those marriages. All I can say is I was totally genealogied out before I even got to Barbourville and only wanted to be at home. So I left mid-afternoon and drove way into the night so I could make it the rest of the way home the next day. And I did.

I had more luck with the other side of the family, finding verifications of stuff I already had clues to and visiting cemeteries where ancestors are buried (though tombstones are gone or are weathered smooth). I did verify that Benjamin Thomas, the father of Absalom's wife, Elizabeth, was, indeed, the guy also known as Bennett, thereby solidifying that whole ancestry way back to 17th century Maryland. I didn't solve the puzzle of Absalom's ancestry, which was the main thing I hoped to accomplish.

And, the high point of the trip: a tour of the Maker's Mark Bourbon distillery at Loretto. The warehouse where they age millions of barrels of

their product smelled just fine! No samples, though, the cheapskates!
All-in-all, even though I didn't find a whole lot, I'm glad I went. I tried to do too much in too short a time so I just regard the trip as a preliminary survey. I know what I intend to do next trip.

Joe
